Mr.Avner,

Thank you very much for your great performance at The Views of Mt. Fuji, on January 19, 2013. My table was number 2 and I ended up being named

the Ace Detective for the evening. A great time was had by all. If you could do me a favor and correct the spelling of my name on your ace detective

list. The correct spelling is LOUIS OJEDA. Thanks, I would appreciate it. Maybe we will see you on New Years Eve. take care. you guys keep

performing and we will keep watching.

Sincerely,
Louis Ojeda
