Subject: ANOTHER ONE

Hi John,

We had a great time with you guys again on Friday. Thanks for a great show.

Now as far as another show goes, I am looking to host one in February 2007. We are looking for a Saturday night but not February 17th. This would be held in the same place but this time the Knights of Columbus would host it. I am a member there and at last Friday's show 3 other members were in the audience. Anyway they want to do it and we are submitting a proposal tonight at the meeting. If you have an open date and can let me know that would make my presentation more powerful.

Thanks,
RRR
