**Subject:** Thank You All

I just want to thank you for a great time. It was so a great show. I wasn't sure what to expect. I am sorry that I could not come up with RD logo evidence for you and the crew. I am going to see what I can do now and don't be surprised by a package sometime in the next few weeks.s

Thanks so much for an afternoon of laughs.

Tammy  
(aka: I want to be an official NY Met...)
